HOME PAGE

Dogs&Domain is a one stop shop for pet and home care services. Top tier in-home pet boarding, grooming and home care services provide a high quality, reliable, and convenient experience for our clients.

No one loves their pets more than families in the Northwest. Dogs&Domain shares your affinity, love and care for your furry friends. In-home pet care provides a safe and stress free environment for your pet, and provides you with peace of mind. You can relax, knowing your pet is receiving high quality individualized care and support.

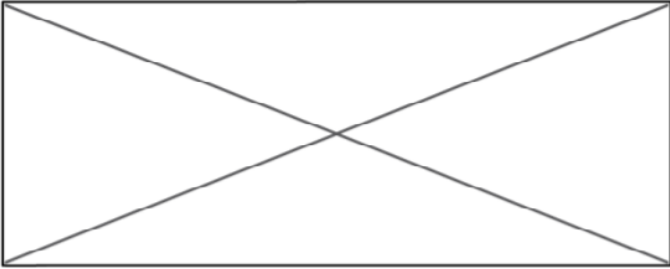

We know you don't want to be away from your pet. Dogs&Domain pet care services include complimentary email and photo updates. The D&D team reserves a special moment for video calls during overnight visits, ensuring you spend precious time with your pet while you are away on business or on vacation.

You can rest assured you and your pets are receiving luxury accommodations and support until you return home. Special accommodations for special pets are always welcomed. No task is too big or too small for Dogs &Domain.

Your satisfaction as a client is my top priority. My approach is simple, provide high quality care that is memorable and customized just for you.

Scheduling: Requested services start with a consultation session. Consultations are 30 minutes in length and are completed in person. If you are a busy professional or just on the move, video conference calls are available.
